I would like to encourage all Republican voters to become more involved in their local county Republican party activities. This election is too important for us to sit on the sidelines and depend upon others to carry the ball for us. It is impossible for me (and the other candidates) to attend every single convention, but we will do our best to be represented. These local county conventions will select delegates to the State Republican Party convention which will be held on March 13th in Albuquerque.

Your views and opinions will determine the best candidates for Congress, Governor, Lt. Governor, and State Land Office to represent you going forward. Please don't be shy.

I am asking each of you for your vote, your prayers, and your financial support in my effort to win the 3rd Congressional District seat for you. Thank you for your support.

Warm regards,

Tom Mullins
 Candidate for the U.S. House District 3 - New Mexico
