## Mullins calls for Tea Party Town Hall at Luján Office Tuesday

Tom Mullins, candidate for New Mexico's 3rd District Congressional seat calls for all San Juan County residents, San Juan County 912 members, Farmington Tea Party members, and concerned taxpayers to visit Representative Lujan at his office from 11 am to 1 pm on Tuesday, December 22<sup>nd</sup> in Farmington at City Hall.

Representative Luján has not visited San Juan County and he has avoided speaking to his constituents in this area who disagree with many of his views. Mullins who is running to replace Luján stated, "Representative Luján has been ignoring San Juan County and our many concerns with his performance. In the spirit of Christmas; Let's welcome him and bring him a lump of San Juan County coal for his stocking and a pink slip for his performance or lack there of."

Mullins, an Engineer and one of the original organizers of the Farmington Tea Party events held earlier in the year is against government "stimulus" spending, and "stimulus 2", passed last week, an amendment to HR 2847 which will cost taxpayers 155 Billion dollars. Representative Luján has voted for greater governmental control of health care, energy rationing via Cap and Trade regulation, as well as numerous federal spending measures that have added to our national debt. "New Mexico needs jobs, not the illusionary green ones, but private sector jobs that allow us to pay our bills, heat our homes, and put food on the table." said Mullins.

Candidate Mullins said, "It amazes me that neither Luján nor his staff members have attended the business incubator nor economic development forums locally or even in Santa Fe, but now he is stumping for jobs in the area. I think he belongs on the unemployment line."

Information from Representative Luján's website:

What: Open Office Hours

When: Tuesday, December 22, 2009 11:00 to 1:00 pm (MT)

Where: Rep. Luján's Farmington District Office, Executive Conference Room, 800 Municipal Drive, Farmington, NM

Mullins plans deliver a box of "Pink Slips" that were messages written earlier this year by residents to Representative Luján and speak with voters at Noon. Tom reminds New Mexicans to help our neighbors, donate to ECHO Food Bank, give blood at United Blood Services, and stand up for our values. "We can be silent no more regarding the irresponsible performance of our federal government. Together we can return common sense to Washington."
