& Freedom

Tom is a registered professional engineer in the state of New Mexico in the discipline of Petroleum Engineering. Tom is a parishioner of Sacred Heart Catholic Church in Farmington, and he asks everyone to consider donating blood tomorrow to save a stranger's life, or contribute to your local food bank. Tom is an avid reader and enjoys meeting new people and discussing current events.

Tom has recently become politically active, assisting grass roots organizations such as the Farmington Tea Party (www.farmingtonteparty.blogspot.com), San Juan County 9-12 organization (www.sjc912.org), as well as the San Juan County Republican Party (www.sjcgop.org). Tom is a Christian, a Conservative, and an American who cares deeply for his fellow man. New Mexicans of all parties have the Common Sense which tells them we can no longer spend our way to prosperity on the backs/wages of our children nor our neighbor's children. We each must take upon ourselves more individual responsibility rather than depend upon the state, whomever may be in power. If your registered party be Democrat, Independent, or Republican (for the primary), then Tom respectfully asks for your vote, your prayers, and your support in this campaign.

Tom is running for United States House of Representatives, New Mexico Congressional District 3. Tom will listen to you and work for you.

Please **DONATE** & **VOLUNTEER** Today - PO Box 256 – Farmington, NM 87499

I respectfully ask for your vote – June 1st 2010
